

*Parents/Guardians – Thank you for your support in keeping our students, families & staff safe when dropping off & picking up your children...*

*Your cooperation in following these directions is valued!*

### DROP-OFF/PICK-UP ZONE

**This is the ONLY place you may drop-off/pick-up your children while you remain in the vehicle.**

Please cooperate and be respectful with SCA student and adult safety patrols as they instruct you on the pick-up and drop-off of your child(ren).

To expedite time and to minimize vehicle gas emissions, please allow your child(ren) to **exit/enter your vehicle along the length of the sidewalk in the drop-off/pick-up zone.** \*\*\*For their safety, child(ren) must exit from the vehicle on the sidewalk side only. Please be patient.

### LOT-A There is NO Parking in this lot

When entering or leaving the drop-off/pick-up zone please drive SLOWLY; safety is our first priority.

This lot is the loop for dropping off and picking up students.

### LOT-B PARK & WALK your child in the building

This lot is for parents to park and walk their child(ren) into the school.

**Please do not stop & drop off or pick up your child along any curbs by the building.**

This lot can be used for parking during the day (staff and volunteers).

Children in this lot **MUST** be accompanied by an adult at all times.

Please use the closest sidewalks and do not walk through the lot – **as you escort your child, use the crosswalk to get to and from the building and your vehicle.**

**\*\*\* SCA Staff reserved parking is along the west side of the school building (by the plug-in posts) – thank you for not parking in this area.**

**\*\*\* No parking or dropping off students by the school office entrance. There are parking spots pyloned off to prevent families from parking here.**

There is reduced visibility of small children for drivers exiting the lot. We encourage our families to park further into the parking lot to make it easier for drivers to see those walking towards the office doors. **We would encourage everyone to park near to and use the safety patrolled crosswalk at the north end of the parking lot.**

**This is a safety procedure that is already in place for our families. We understand that this is possibly an extra 100 meter walk and could be an inconvenience for some; however, this is the best plan for the safety of your child.**

### CHURCH LOOP

This is an **out of bounds** area for Springs Christian Academy, including SCA Preschool.

**\*\*\*Violations to these directions may be reported to the Winnipeg Police Services.**

**ALWAYS DRIVE SLOWLY & CAUTIOUSLY THROUGH THESE AREAS**
