Parents, Guardians and Students,

We hope that you are doing well. As a staff, we are praying for you and your family. We are here for you and we are looking forward to staying in touch.

The staff and a few students are still here at school working away. We are busy making preparations for next week when SCA Distance Education officially begins on Monday. If you have any questions, please email your teacher as they will be working and would love to answer your questions. If you haven't picked up your SCA Distance Education packages from the Elementary Campus, please stop by tomorrow and pick them up between 8:30-4:00.

Hot Lunch refunds continue to be handed out when you pick up your SCA Distance Education packages at the office.

Next week you can look forward to receiving videos from our staff. I am personally a one hit wonder when it comes to video making.... Not today. Feel free to take in one of the outtakes.

I encourage you to remember that the joy of the Lord is our strength.
