Dear SCA Families,

I hope that everyone had a great start to SCA Distance Education. Please remember, we are not trying to stress anyone out, we just want to help our students keep learning and growing. The schedules that have been sent to you are meant to help you stay on track, not to stress anyone out. If you are not able to keep up with the schedule, please do your best and let your child's teacher know. We understand that everyone has family commitments and additional responsibilities at this time.

I want to encourage you to continue to speak God's promises over your families' life and continue with suggested government cleaning practices.

Here is a book reading for those interested in following along. [book](#)

God Bless,

Kim Fuller

Principal
