“Help people reach their full potential,  
catch them doing something right.”

Taken from THE ONE MINUTE MANAGER  
By: Ken Blanchard & Spencer Johnson

Where do your individual students/children need encouragement from you today?

Parents and guardians, I want to reiterate how much we appreciate each of you. I know this COVID-19 situation hasn't been easy. You have stepped up to help your child(ren) finish their educational year strong. These last few months have reminded me over and over again how blessed we are to do life with such great families.

All of us at SCA want to say thanks. We love and appreciate you. We are excited to be finishing this year strong, leaving all of our SCA students well educated and ready for their next year of school.

God Bless,

Kim Fuller
