

Note from the SCA Administration

We hope you are enjoying your summer holidays. We are planning for a smooth reopening of school as per our recent Government update, which indicated that Kindergarten – Grade 8 classes can resume full time, and Grades 9-12 can as well, if the facilities can resume with social distancing plans in place. Thankfully, at both of our SCA campuses, we can transition back to in-class learning. We will be sending out more information at the end of August with more details about our scheduled meet the teacher times for our **Grades 1-12 students** that are occurring on Tuesday, September 8th and Wednesday, September 9th from 9:00 -12:00.

Preschool and **Kindergarten** students will be having scheduled Meet the teacher and Assessment days on Tuesday and Wednesday; scheduled appointments will be emailed/mailed home.

As we make plans for our 2020-2021 school year, we thought we'd send a quick email as we say goodbye to some of our SCA staff and welcome new ones. Some are moving to other opportunities and others are joining us for the first time as staff.
