

Memory Verses

Each month our class focuses on specific verses from the Bible. We talk about it specifically during Bible time, but also integrate it into our activities throughout the day.

Each student is expected to memorize their Bible verses by the end of each month. **At the end of the school year, all those students who memorized the verses for the entire year will be given a Scripture Memorization Award at the K-3 Awards Ceremony!**

In this folder you will find the verses your child is working on each month. Please go over it daily with your child. When you feel your child has memorized the scriptures, please sign and date the page and send it to school with your child. I will then test each child individually. If they are successful, I will also sign the page and then keep the folder at school until the beginning of the next month. If your child had difficulty with the verses I will send the folder home again for further practice.

Thank you for your diligence in helping your child succeed in this area.
